About Us:

We are a referral based consultancy. We have a network of people who work in companies and share openings with us. We understand the requirements of jobs and filter the candidates as per the requirements and then refer the selected candidates to the companies. We work hard on the candidates, even suggest them ways to prepare for the job before referring.

please send your resumes to [referral.hiring@gmail.com](mailto:referral.hiring@gmail.com)

please note we don't charge anything from candidates. This service is totally free of cost.
